

COODANCE KING

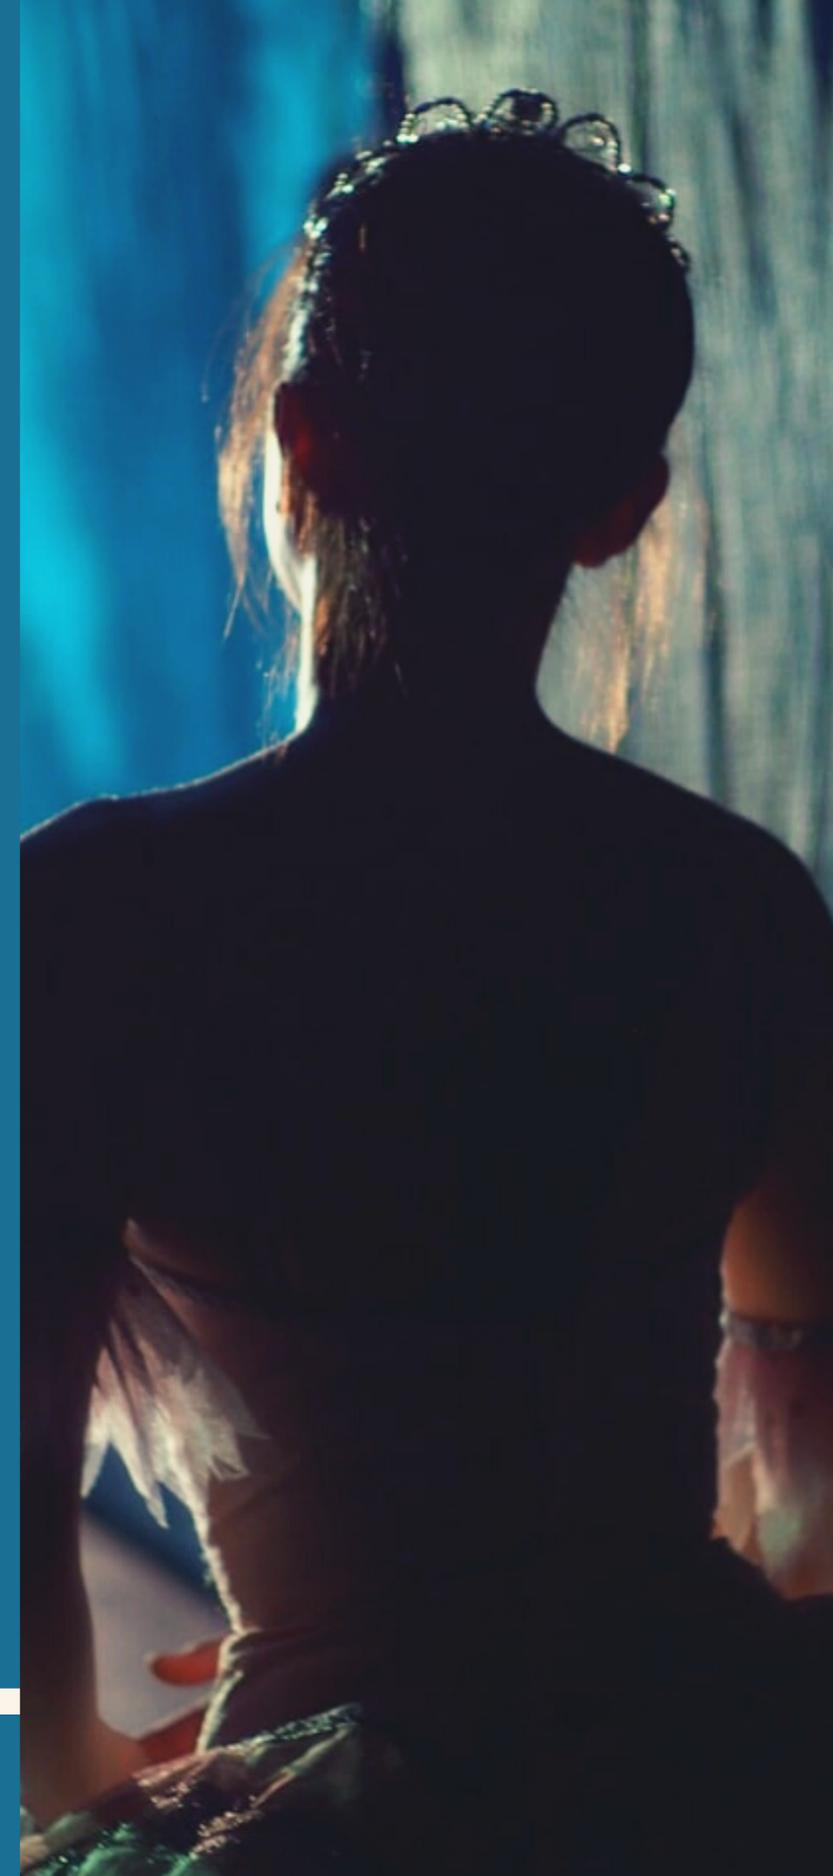

Cooking Dance Festival

Cooking Dance Festival ha nacido a partir de una serie de acciones enfocadas a la difusión de la danza clásica y contemporánea, con la intención de crear eventos para un público en general y para promover diferentes disciplinas artísticas: danza, representaciones, talleres, galas, Flashmobs, exposiciones, concursos, Masterclass, conferencias...

La propuesta consiste en crear un acontecimiento único en nuestro país, para generar un conjunto de actividades abiertas a todo el público, involucrando tanto a profesionales de la danza, artistas internacionales de diferentes disciplinas como al público aficionado en general.

Uno de los objetivos principales de esta serie de actividades es atraer a aquellos, que bien por desconocimiento o poca proximidad, no se han introducido en este arte.

OUR CONVICTION

Time on the stage is the best time.
